### **HUMAN SERVICES DEPARTMENT GRATEFUL FOR DONATIONS**

Concord Human Services was the grateful recipient this week of a very large and generous donation of hygiene items, cleaning products and paper goods. Concord residents **Kathy and Roy Walker** hosted a holiday party and asked their guests to bring items to donate and then delivered them to us. We are amazed at the quantity and quality of these donations. Our pantry is now, once again, restocked and we will be able to help many people with these most basic needs. We appreciate the Walkers recognizing this need and choosing our agency as the recipient. We also received a donation from our co-worker, **Paul Garland**, who provided bags of food and even thought to bring empty bags so we can distribute the food. Paul does this fairly often and we are thankful for his kindness.

### **PUBLIC FORUM RE: PARKING PLAN**

The City's Parking Consultant, Nelson Nygaard, will hold a public forum on **Wednesday, January 28th**, at 5:30 PM in City Council Chambers, to preview the findings and preliminary draft recommendations of the Strategic Parking Plan. All are welcome to attend. Following the forum, City staff and the consultant will finalize the findings and recommendations of the plan for subsequent presentation to the City Council.
